Lyon County Board of County Commissioners Agenda Summary

Meeting Date: May 23, 2022

Agenda Item Number:

5.a

Subject:

For Possible Action: Discussion and possible revision on allocation of American Rescue Plan Act funding and budget.

Summary:

The tentative budget and the American Rescue Plan Act (ARPA) funding allocations identified four large building projects: The Dayton Government Complex, the District Court remodel/expansion, the Fernley Justice Court remodel/expansion, and the Mound House Community Center. Unfortunately, the ARPA allocation did not include enough funding for the Fernley Justice Court remodel/expansion and the Mound House Community Center. Staff is not able to move forward on these projects with the identified funding and we can't sufficiently match from other County funds and move forward with the Dayton Government Complex and the District Court remodel/expansion.

In addition, we did not allocate any of the ARPA funding for contingency funds if County projects exceed the amount requested.

Since the second allocation was voted upon, we have received notice that the effluent disposal project for the Dayton Sewer Fund will be increasing by approximately \$700,000 for additional requirements due to dam regulations.

Financial Department Comments:

I recommend that we establish at least \$400,000 in contingency in case the County projects come in higher than the original estimates. Also, we should sufficiently fund County projects.
