3. Pledge of Allegiance

4. Public Participation

Comm. Hockaday asked for public participation.

Jim Denning from Yerington stated there is increased drug deals and traffic in his neighborhood. He moved here in 2018. There had been nothing done until about two months ago. It has quieted down some but there is still ongoing illegal activity, the laws are insufficient and better laws need to be put into place. These people are getting deferred bail, and released from jail the next morning. They should be required to submit to drug testing and counseling. There was a fire at the house in question and it was red tagged. Code enforcement has done all they can but nothing has really changed. There are old trailers and motor homes there that people are living in, there is a lot of transients and traffic. Mr. Denning feels there should be a monthly inspection on the "work" the owner says he is doing. The City Police are responsible for this area and do not get involved unless the Sheriff's office calls them. Police presence would help. High school kids are going out there also. A request to deem this a nuisance property was submitted.

5. For Possible Action: Review and adoption of agenda

Comm. Hockaday made a request that when the District Attorney calls in they will move item 21.a to around 10 a.m.

Comm. Jacobson moved to adopt the agenda as written, moving 21.a to around 10am.

Comm. Henderson seconded.

Comm. Hockaday asked for public participation. There was none.
