6.a. Time Certain at 9:15 AM: For Presentation Only: A presentation of the Nevada Economic Assessment Project (NEAP) given by the University of Nevada Extension Community and Economic Development.

Joe Ledenky stated they are presenting to the Board a presentation of the Nevada Economic Assessment Project (NEAP) given by the University of Nevada Extension Community and Economic Development.

Buddy Borden gave a presentation of a Nevada Economic Assessment Project. It is a process to develop and maintain an extensive data repository and set of analytical methods that are meaningful, consistent and verifiable. To use data and analytical tools to engage and educate agencies and communities and assist with planning and policy analysis.

The Commissioners' thanked them for their presentation and report.

6.b. Time Certain at 9:30 AM: Presentation of the Assessor's office functions

Assessor Troy Villines gave an overview of his duties, those of his employees, and the function of his department.

Comm. Jacobson asked if water rights have value as anticipated.

Troy Villines answered his office does not track water right sales because they are not required to.

Comm. Jacobson asked if it would be beneficial if they did.

Comm. Keller verified because water rights can move around it is not a requirement of the State to be recorded with the County. The sale is typically done through the water company and the State is notified, making it difficult to comp out.
