The ball field for Mark Twain park will go out to bid. \$8k was spent on fencing approved on prior project list. Additional vandalism occurred at Pioneer Park as the shed was reportedly set on fire.
8. Rejuvenating the Silver Springs Park: A federal grant was accepted by the county in 1983 and there is a need to either rejuvenate the park to meet grant stipulations or find an alternate use. Stacey Sell, president of Silver Stage Pop Warner, expressed to the board that the organization is in desperate need of space since their groups are at capacity and he has had to turn away participants. He would not have to turn away kids if there were more fields available to them in the Silver Springs area. Rob Dunbar offered to provide a cost estimate of rejuvenating the fields to the next meeting and possibly request a board recommendation for the project.
9. Chair/Member comments: Randy states that he is still waiting for input from the Stagecoach community for possible projects in that area.
