Water Conservation

The Lyon County Utilities Department manages the Dayton Valley Water System that serves the residents of Dayton and Mound House. We are required to maintain a Water Conservation Plan in accordance with the requirements of NRS 540.121 - 540.151 and the Lyon County Municipal code 9.03.16.

The following are specific conservation methods required June 1st – October 1st:

- Even numbered addresses water on even numbered days.
- Odd numbered addresses water on odd numbered days.
- No outside watering on the 31st day of any month.
- Watering is not allowed between the hours of 10:00 AM and 6:00 PM.
- No outside watering when it is windy.
- Water wasters are subject to verbal and written warnings followed by fee assessments which are based on a number of violations in a calendar year.

Exceptions (See 9.03.13 (2) For a full list)

- Nevada licensed commercial gardeners or caretakers who are on the premise at all times watering is taking place.
- Gardens and trees within 2 months of planting; new sod for 21 days prior to June 15 or after August 15.

If you have any questions please feel free to contact Lyon County Utilities at (775) 246-6220.
