

JOB DESCRIPTION

JOB TITLE:	Building Inspector I	FLSA: Non-Exempt
DEPARTMENT:	Community Development	GRADE: T1
REPORTS TO:	Building Official	DATE: 10/06/2016

SUMMARY OF JOB PURPOSE:

Responsible for learning and performing a variety of building construction, safety and enforcement inspections of new and existing residential and commercial properties, for compliance with codes and regulations.

NOTE: An employee cannot remain in this classification after two (2) years as of date of employment.

ESSENTIAL FUNCTIONS:

This class specification lists the major duties and requirements of the job and is not all-inclusive. Incumbent(s) may be expected to perform job-related duties other than those contained in this document and may be required to have specific job-related knowledge and skills.

- Inspects new and existing residential and commercial construction, and/or properties for conformance to codes, regulations, plans, specifications and standards; schedules inspections.
- Confers with and provides information to developers, design professionals, property owners and others regarding code requirements and alternatives, and County policies and procedures; wherever possible, resolves complaints and problems.
- Investigates complaints of existing buildings to determine appropriate usage, and if hazardous or life safety conditions exist.
- Answers questions and assists the public on inspection-related activities.
- Performs business license inspections.
- Inspects manufactured and mobile home installation, setting, safety and real property conversions.
- Conducts inspection of residential individual sewage disposal systems; ensures compliance with Nevada Administrative Code (NAC) 444 requirements.
- Reviews plans and specifications for buildings and related construction for use in performance of inspections; calculates fees and deposits.
- Documents and maintains accurate records of inspections, actions taken and regulatory efforts; enters data in the permit management system; prepares written reports and correspondence and issues notices to correct code violations.
- Works with District Attorney's Office to prepare cases of violations; testifies in court as required.
- Develops and maintains knowledge of construction technology, methods and materials; develops and updates code knowledge through regular training sessions.
- Contributes to the efficiency and effectiveness of the unit's service to its customers by offering suggestions and directing or participating as an active member of a work team.

This job description indicates, in general, the nature and levels of work, knowledge, skills, abilities and other essential functions (as covered under the Americans with Disabilities Act) expected of the incumbent. It is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities required of the incumbent. Incumbent may be asked to perform other duties as required.
