POWERHOUSE!!! Combines innovative tap, precision clogging, Irish step dancing, and explosive stomp into an electrifying dance experience. The show is highly interactive, exciting for all ages, culturally significant and contemporary at the same time. The dancers are selected from top competitive performers in the country.

ALLEY CATS. The Alley Cats are well-known for their tight vocal harmonies, but their laugh-out-loud, unruly brand of humor keeps audiences coming back. Greatest hits 50' and 60's keep people coming back for more.

Gather 'round, cowpokes, and get ready for some down-home fun with this country-inspired family extravaganza! Join the lively Barnyard Bash starring the delightful children's entertainer Kiddle Karoo and her adorable animal puppet-pals, for a high-energy musical journey! Prepare to giggle, groove, and join in the uproarious Piggy-Wiggy Hoe-down, where the prize pig himself leads the charge! It's a toe-tappin', interactive experience the whole family will cherish! Yeehaw

Dangerously FUN Juggling! Delighting audiences for forty years, James Reid presents a next level performance of big tricks, laughs, and fun for all ages. With unique combinations you won't see anywhere else, bowling balls, and weapons flying through the air! All presented with lots of interaction and comedy, this show is not to be missed.
