

What Issues are Important in Your Community?

You've seen the list of County-wide issues...

Now, please tell us what you think the Plan should address for your local community!

Lyon County has Distinct Communities

Lyon County covers a large land area that is diverse in character. It's towns and communities are distinct too, and different problems and opportunities. The Count is hosting meetings around the County so we can hear from all the communities.

North

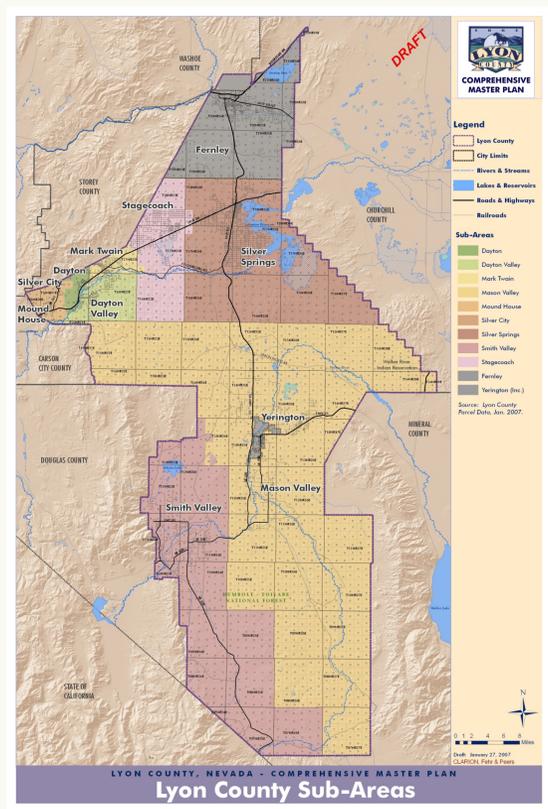

Includes the incorporated City of Fernley and its associated planning areas as identified in the City's Comprehensive Plan and unincorporated lands in and around the City.

Central

- Includes the following areas:
- Dayton Valley (including Dayton, Dayton Valley, and Mark Twain)
 - Mound House
 - Silver City
 - Silver Springs
 - Stagecoach

South

- Includes the following areas:
- City of Yerington
 - Mason Valley
 - Smith Valley
